This jewelry is created using Swarovski crystals. Swarovski crystals are known as the finest in the world because of their depth of color, clarity and exquisite brilliance.

Physics teaches us that everything is energy. Energy is a vibration. Every thought and feeling is a vibration. When you wear your Archangel/Ascended Master Jewelry, you are being shielded from negative energy. Your vibration is naturally being raised.

Each Archangel has the ability to assist you with the many issues in your life. By wearing this jewelry, you activate all intentions that you ask the Archangels to assist you with. Ask the particular Archangel or Ascended Master that you have attracted to assist you in obtaining your desires.

How is this jewelry unique?

Judy has carefully studied each Archangel and worked with their energy to ensure that the jewelry is fully charged with their individual vibration. Judy channeled each Archangel to determine the color and vibration that was to be used for each piece of jewelry.

When wearing your Archangel jewelry, focus on your intentions. Ask the Archangel to assist you with raising your vibration through positive thoughts and positive intentions. Be sure to focus on what you want, not what you don't want.

How Do You Choose the Jewelry?

Trust your intuition and knowingness. Know that whatever piece of jewelry you are drawn to has a specific message and reason. Allow yourself to feel the energy that comes from the jewelry. Speak to the Archangel or Ascended Master that you have drawn. Trust that you have chosen this Being of Light for a reason. Caring for Your Jewelry

To clean: Wipe the jewelry with a clean, soft cloth. Do not allow it to sit in any harsh detergent, but wash your jewelry in water.

Your jewelry will absorb negative energy. When the crystals become cloudy or your jewelry just feels heavy, it is time to clean them. Do not worry about the cloudy color, it just means the crystals are absorbing the negative energy.

To re-energize and clean your jewelry either place it in the sunlight for a couple of hours or place your jewelry on a clear quartz for a few hours.

Please Note: Should your jewelry break, simply pick up the crystals and return it to us to be restrung. The jewelry will also be re-cleansed and re-set with the appropriate Archangel or Ascended Master vibrational frequency intended for your jewelry.
